

“Religion that is
pure and undefiled
before God the
Father is this: to visit
orphans and widows
in their affliction,
and to keep oneself
unstained from
the world.”

James 1:27

Pure Religion Sunday

Together we join with the Church around the world to remember God's heart for vulnerable children and families in our communities.

Rooted in James 1:27, Pure Religion Sunday invites all believers to live in ways that are decisively set apart to embody self-giving sacrifice for the orphaned, widowed, and vulnerable among us. It's about growing deeper in our faith and living out our faith in a wider context - recognizing that when we move toward the hurting and hard places in our world, we not only reflect Jesus but also grow more like Him.

Pure Religion Sunday rises from the heritage of a small, humble church in Zambia responding to God's call to welcome and care for the vulnerable children of their communities.

Orphan Voice has a long history of providing compassionate help to the hurting and forgotten. Together, we can reveal God's unfailing love to the one who has no helper. **Everyone can do something!** We invite you to prayerfully consider what your "something" might be!

Reflecting God's heart for Orphaned and Vulnerable Children & Families

Together, we join with the Global Church to remember God's heart for the orphaned and vulnerable children in our community and in our world.

The legacy of Pure Religion Sunday came as a gift from a church in Africa through a Zambian pastor's passionate call to care for orphans in his local community. Although members of the church faced deep needs themselves, they boldly responded. One after another, people stepped forward with money, food, and other goods - some even taking off their own shoes and placing them in the offering for orphans.

Orphan Voice has a long history of providing compassionate help to the hurting and forgotten. Together, we believe that everyone can do something to help a vulnerable child and family. We hope you will pray about the ways you can begin to reflect God's heart for the vulnerable on this Pure Religion Sunday.
